portable electronic scales

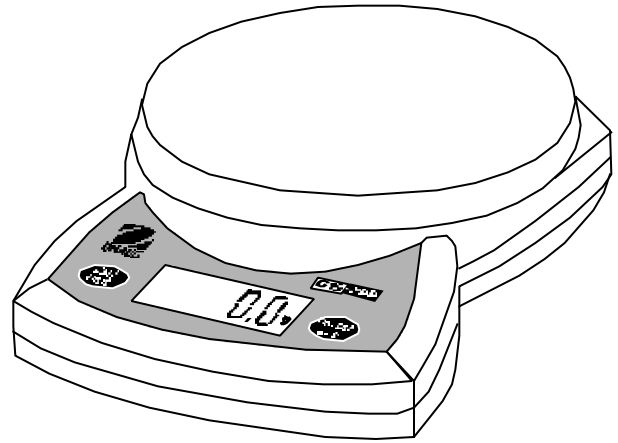

Ohaus Compact Scales are ideal when cost matters and dependable results are a must. These uniquely designed scales have a wide variety of applications, more than any other scale in their class. The three portable models range in capacities from 200g to 5000g, and are perfect for use in light production, in the field, the kitchen, the office, and more. Easy operation, long battery life, and great performance make Compact Scales a truly remarkable value.

- Sleek, low profile design
- Large high contrast display
- Energy-saving auto shut-off feature
- Battery or AC powered
- Rugged plastic construction
