

Suitable for Damp Environment

High Speed

*Cub*

**Weigh Only Scale**

**METTLER TOLEDO**

Designed for rapid weighing in damp environment

# Cub Weigh Only Scale

Cub scale is specially designed for the damp environment. The uniquely processed main PCB and smart mechanical design prove the damp-proof feature. The high updating display speed, less than 1 second, significantly improves your efficiency. The bright LED display will also relieve your eye tiredness during the longtime operation.

Suitable for the weighing applications in packinghouse, tea factory, grocery and open market for the processing of frozen food, seafood, poultry meat, aquatic products, tea and dried mushroom, etc.

- IP55 passed
- 168-hour salt spray test passed
- Patent pending

## Specifications

Capacity (dual range)	0.75/1.5kg	1.5/3kg	3/7.5kg	7.5/15kg
Increment Size (trade approved build)	0.5/1g	1/2g	2/5g	5/10g
Displayed Increment Size	0.2/0.5g	0.5/1g	1/2g	2/5g
Verification Resolutions	1/1,500 (dual range)			
Maximum Resolutions	1/3,000 (dual range)			
Resolution Switch	via keyboard without opening the enclosure			
Display	6-digit, 7-segment, LED (14 x 8.6 mm), dual display			
Weighing Unit	g, lb			
Platter Size	180 x 220 mm			
Package Dimension	380 x 280 x 180 mm			
Shipping Weight	4.5 kg			

## Operation Environment

-5°C to 40°C, normal or damp environment with relative humidity < 100%

## Power Supply

Wall adapter with output 9 VDC/600 mA or 6 V/5 Ah rechargeable lead-acid battery

### Plastic Platter

Easy to clean, stainless steel platter optional

### Two Displays

Efficient production

### Ideal Viewing Angle Design

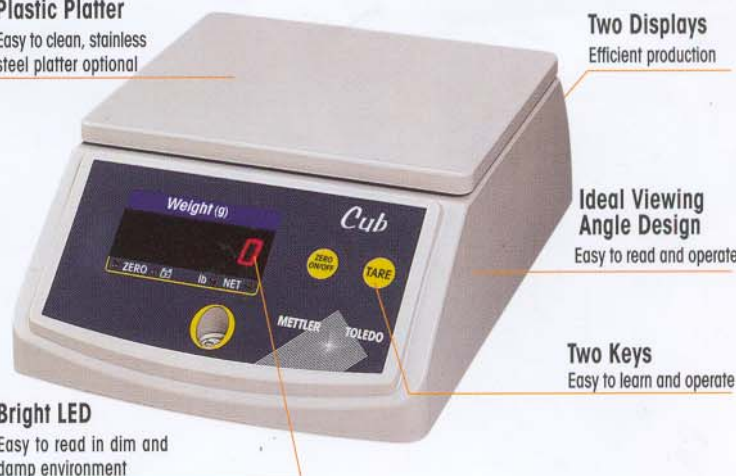

Easy to read and operate

### Two Keys

Easy to learn and operate

### Bright LED

Easy to read in dim and damp environment

## METTLER TOLEDO

Quality Certificate  
Development, production, testing of this  
product according to the ISO9001/NO.  
0197A015 & the ISO14001/NO.06-2000-052
